EXPLANATORY NOTES

Financial Reports

While the Corporations Act requires the financial reports, the Directors' Report and the Auditors' Reports of Boral for the year to be laid before the Annual General Meeting, neither that Act nor the Company's Constitution requires shareholders to vote on, approve or adopt those reports.

Shareholders will, however, have a reasonable opportunity at the Annual General Meeting to raise questions on those reports. Shareholders will also have a reasonable opportunity to ask the auditor questions relevant to the conduct of the audit, the preparation and content of the audit report, the accounting policies adopted by the Company in relation to the preparation of the financial statements of the Company, and the independence of the auditor in relation to the conduct of the audit.

Adoption of Remuneration Report – Resolution 1

The Remuneration Report for the year is part of the Directors' Report for the year and is set out on pages 42 to 49 of the Annual Review.

The Remuneration Report:

- explains the Board's policies relating to remuneration of key management personnel for Boral;
- discusses the relationship between such policies and the Company's performance;
- provides details of the performance condition of elements of Boral remuneration; and
- sets out remuneration details for each director and other key management personnel.

The Board submits the Remuneration Report to shareholders for consideration and adoption by way of a non-binding resolution as required by the Corporations Act.

In reviewing the Remuneration Report, shareholders should be mindful that executive remuneration is not driven solely by the level of profits. Executives are rewarded for managing businesses according to pre-approved objectives, plans and budgets and sometimes budgeted earnings are lower than previous years due to the cyclical nature of markets for Boral products.

The Board recommends that shareholders vote in favour of the resolution to adopt the Remuneration Report.

Election of Director – Resolution 2

The Company's Constitution provides that a Director must retire the longer of the third Annual General Meeting or three years following that Director's last election or appointment. In addition, any Director appointed by the Board since the last Annual General Meeting must retire at the next Annual General Meeting. Retiring Directors are eligible for re-election.

Elizabeth Alexander was last elected as a Director at the 2005 Annual General Meeting and is the only Director previously elected as a Director at an Annual General Meeting, who is required to retire from office at the 2008 Annual General Meeting. Ms Alexander has decided not to seek re-election and will retire as a Director at the end of the Annual General Meeting.

Paul Rayner, who was appointed as a Director in September 2008, will retire at the Annual General Meeting and offers himself for election. The Board supports the election of Paul Rayner.

Information about the Director standing for election is:

Paul Rayner

Mr Rayner, 54 years of age, joined the Boral Board in September 2008. He is a member of the Board's Audit Committee.

Mr Rayner is a Director of Qantas Airways Limited. He is also a Director of Centrica plc, a UK listed company, and Chairman of its Audit Committee.

Mr Rayner has recently relocated back to Australia after retiring as Finance Director of British American Tobacco plc, a position based in London to which he was appointed in 2002. He had joined Rothmans Holdings Limited in Australia in 1991 and held a number of senior executive positions in finance and operations including Chief Operating Officer of British American Tobacco Australasia Limited.

Mr Rayner has Economics and Master of Administration Degrees. He has substantial experience of financial and accounting matters.

The Boral Board will benefit from Mr Rayner's considerable financial, operational and international experience.

The Board recommends that shareholders vote in favour of the resolution for the election of Paul Rayner as a Director.
