Boral today: Performance, transformation & growth

1. Maintaining and strengthening our leading position in Australia

- Well positioned on the east coast where conditions are strong
- Quarry reinvestment leverages our integrated position and ability to deliver major projects
- Operational and commercial excellence delivering productivity and margin expansion

2. Growing organically and through innovation in USG Boral

- Growing in plasterboard markets in Asia, Australia and the Middle East, including Sheetrock® technologies

3. Transformational growth in the USA

- Headwaters acquisition delivers transformational growth, including substantial synergies
- Meridian Brick JV delivers portfolio and performance improvements, including strong synergies
- More balanced portfolio, broader exposure to large-scale markets and ability to grow through innovation

4. Leveraging growth in key markets and across all geographies

- **Australia:** multi-year growth trajectory for major roads and infrastructure
- **Asia:** leveraged to economies with long-term growth prospects and increasing product penetration
- **USA:** ongoing market recovery and new market opportunities and scale through Headwaters acquisition

5. Strong cash flows and solid balance sheet

Headwaters integration on track and positioned well

Performance in line with expectations; strong confidence around synergies

- Acquisition completed 8 May 2017, ahead of 'mid 2017' expectations
- Regulatory approval received with no divestments
- US\$21m of EBIT contribution for 8 weeks in FY2017, in line with Boral's guidance
 - Construction Materials (Fly Ash & Block) revenue up 10% and EBIT up 12% on pcp¹
 - Building Products (Stone, Roofing, Light Building Products, Windows) revenue up 29% and EBIT up 10% on pcp¹, reflecting:
 - contribution from Windows business purchased by Headwaters during the year, and softer earnings from Roofing due to operational issues at metal roofing plant in California
 - modest synergy benefits in first 8 weeks offset by Roofing issue – *currently being resolved*
- Integration and mobilisation activities successfully rolled out in first 3 months
 - Leadership team in place; strong employee engagement; 60 sites visited by key leaders in first 3 weeks, roll-out of Zero Harm messages
 - Customer outreach successful
 - All businesses have developed detailed synergy plans – fast tracking execution, where possible
- Post close review and early integration provide strong confidence around synergy delivery of US\$30-\$35m in year 1 and >US\$100m p.a. in year 4
